IHSAN NURROCHMAN

Data Center Project Engineer | Network Engineer

ABOUT ME

Data Center Project Engineer with more than 7 years of experience in networking and data center infrastructure. I manage projects end to end: customer requirement assessment, BOQ, vendor tendering, through to ready-to-use colocation and handover. Used to coordinating across teams and vendors, and contributed to the design of a data center certified to TIA-942 Rated-3.

WORK EXPERIENCE

November 2023 - Present
PT Artha Telekomindo (Arthatel)

Data Center Project Engineer

- **Solution design:** end-user requirement assessment (colocation, cross-connect, parallel network) and BOQ preparation.
- **Procurement and tendering:** RFQ, vendor sourcing and invitation, aanwijzing documents and sessions, and procurement administration.
- **Colocation delivery:** kickoff meetings, rack placement, cross-connect patching, power and cross-connect testing.
- **Handover:** recording all assets and preparing handover documents for customers.
- **Power upgrades:** procurement for UPS and HSSD replacement.
- **Expansion:** PIC for Data Hall 2 and the 6th-floor Data Hall.
- **Rated-3 certification:** prepared all design layouts and Single Line Diagrams (SLD) for the 6th-floor data center for TIA-942-C-2024 design certification.

September 2019 - October 2023
PT Artha Telekomindo (Arthatel)

Network Engineer

- Network cable installation and switch configuration.
- ONT modem setup.
- Network testing with iPerf, speedtest, BERT test, and OTDR.
- Prepared technical documentation for network work.

November 2018 - May 2019 (7 months)
PT Fiber Networks Indonesia

Configuration and Preparation Network

- Prepared and configured network devices before deployment.

EDUCATION

B.Sc. Information Systems
Universitas Terbuka
January 2024 - Present

Computer and Network Engineering
SMK Wikrama Bogor
2015 - 2018

SKILLS

- **Data center:** colocation and cross-connect, rack planning, MMR patching, asset management, handover
- **Networking:** switch configuration, network cabling, fiber optic splicing
- **Design:** AutoCAD (layout and SLD), Bill of Quantities (BOQ), technical documentation
- **Projects and procurement:** RFQ, vendor tendering, aanwijzing, kickoff meetings
- **Infrastructure:** UPS, HSSD, power upgrades

CERTIFICATION

TIA-942-C-2024 Rated-3 (Design Documents)
Design contributor, SCBD Data Center of PT Artha Telekomindo. Scope: Architecture, Telecom, Electrical, Mechanical.
No. TIA942ID260813002, valid 13 Aug 2026 - 12 Aug 2027. Issued by EPI Certification Pte Ltd.
